

Dear Students, Educators, and GLSEN Washington Supporters

Summer is upon us! As many schools let out for the summer and we enter Pride month, we want to highlight some Pride events going on, and provide information on ways in which we hope you will get involved with GLSEN WA through the summer and next school year– whether as a board member, volunteer, or educator.

Happy Summer!

PridePays is a payment processor that allows participating merchants choose a cause to support, and PridePays donates the profits on their behalf. Businesses keep the same service and pricing they previously had. With PridePays, fees they were already paying now fund the impactful work of causes serving the community. You can make a huge difference for a cause serving LGBTQ+ people in your community with the merchant fees you are already paying.
